

Statement on the Distinction Between Parkour UK Qualifications and ADAPT Qualifications Ltd.

Since 2017 Parkour UK's qualifications have been separate and distinct from the ADAPT Qualifications Ltd. certifications and **do not** form part of the same system or pathway of qualification.

The delivery, awarding and administering of these qualifications is completely distinct and not related. Holding a certificate in ADAPT Level 1, 2 or 3 does not also transfer to the Parkour UK qualifications listed below. This means that currently an ADAPT qualified coach cannot sign off hours for a Parkour UK qualified coach and vice versa. This has been a subject of some confusion for our workforce over the last 4 - 5 years and we are aware the distinction has not been communicated clearly.

We recognise that there are a small cohort of Level 2 coaches who participated in courses around 2015 - 18 who were unaware of the changes emerging and may have been left with no clear distinction of who recognises their qualification. This could prevent access to Parkour UK insurance or prohibit them from signing off Level 1 coaches.

To rectify this and allow Parkour UK and our workforce to progress we are offering a reduced rate reassessment for any Level 2 coaches who have both:

- A Level 2 certificate which does not feature the Parkour UK Logo AND
- Completed their Level 2 qualification between 2015 and 2018 in the UK.

Reassessment dates will be set as soon as possible and you can contact Chris Grant – Development Manager at Parkour UK for further details. On completion of reassessment you will be issued with a Parkour UK Level 2 Qualification.

Parkour UK recognises that the early relationship with ADAPT has been fundamental in the growth of the Parkour workforce and are pleased to see that ADAPT Qualifications Ltd. continues to thrive around the world. Our role is distinctly to develop the UK workforce and we believe our qualifications and infrastructure should be led directly by our staff & tutors in-house. The direction of our qualifications offering can be influenced by our members through the Workforce sub committee which is made up of representatives from our membership, tutors, board and external qualifications experts.
